QUIKREEL MAX

The Smarter Way to Repair Your Reels and Dispense Quickly

TRADE PRICE:

£49.97+VAT

PROBLEM SOLVED

Cable reel saver, repairing wet or damaged drums, saving cost and waste.

QUIKREEL MAX

- Dispenses smarter and quicker, prevents snags and keeps your cable ready to pull.
- Quick-change drum system enabling you to swap cable reels in seconds with a simple screw turn.
- Use the QuikReel Max to work solo with ease, feeding cable smoothly while you install.
- Flat-pack design, can be stored easily in your van without taking up valuable space.
- Heavy-duty ABS discs for daily trade use and long-term durability.
- Friction-bearing third disc enabling smooth, controlled rotation for faster installs.
- 6 non-slip rubber feet for maximum grip and protection for finished floors.
- Compatible with most popular cable reels for domestic applications.

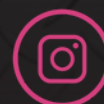

Can be used with other cable dispensers (Cable Jack Plus Not Included)
